

VOTING ON ELECTION DAY

In the precinct:

- Present an acceptable form of ID to the poll worker.
- Cast your ballot using one of the voting machines located in the polling place. Accessible equipment is available upon request.
- If needed, Assistance Forms are available for your use- simply request the form from an Officer of Election at the polls.

Visit the State Board of

Elections website at

www.sbe.virginia.gov

for additional

information or to find

contact information

for your local

Registrar.

Curbside:

- Notify poll workers of your arrival at the polling place by activating the call bell located outside.
- A poll worker will come to your vehicle and request to see an acceptable form of ID.
- The poll worker will return with accessible voting equipment on which you will cast your vote.

Voting Equipment:

- At least one piece of accessible voting equipment is required in each precinct, by law.
- While the specific type of equipment may vary in different localities, every machine offers the opportunity for privacy and independence for voters with disabilities.

Acceptable Forms of Identification:

- Commonwealth of Virginia Voter Registration Card
- Valid Virginia Driver's License
- Any other identification card issue by a government agency of the Commonwealth, one of its political subsidies, or the United States
- Any valid student identification card issued by any institution of higher education located in the Commonwealth of Virginia
- Any valid employee identification card issued containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business
- A copy of a current utility bill
- A copy of a current bank statement
- A copy of a current government check
- A paycheck that shows the name and address of the voter
- A concealed handgun permit
- Social Security Card
